

Director name: Gary Martin
Meeting attended: 2021 State of the City
Dates of meeting: November 4, 2021
Location: Canyon Country Community Center
SCV Water Board meeting to be presented at: November 16, 2021

On November 4, 2021, I attended the 2021 Santa Clarita State of the City held at the new Canyon Country Community Center.

Points of interest:

- City Manager Ken Striplin welcome the attendees.
- Posting of the colors and flag pledge featured the Valencia High School JROTC.
- Pastor David Hegg provided the invocation.
- Mayor Miranda, Mayor Pro-Tem Weste, Councilmembers McLean, Smyth and Gibbs each spoke about City accomplishments during the year and starred in their individual video presentations of themselves interacting with members of the City staff in various locations and settings around the city. It was very well done and entertaining.
- At the conclusion of the presentations, attendees were invited to adjourn to the patio area where refreshments were served.

It was a good opportunity to meet with Council members and other community leaders in an in-person setting, and representing SCV Water and I appreciate being able to attend.
