

**RESOLUTION NO. SCV-218**

**RESOLUTION OF THE SANTA CLARITA VALLEY WATER  
AGENCY BOARD OF DIRECTORS ADOPTING AN ADDENDUM  
TO THE 2015 URBAN WATER MANAGEMENT PLAN**

**WHEREAS**, The California Urban Water Management Planning Act, (Wat. Code §10610, et seq. (the Act)), mandates that every urban supplier of water providing water for municipal purposes to more than 3,000 customers or supplying more than 3,000 acre feet of water annually, prepare an Urban Water Management Plan (Plan); and

**WHEREAS**, the Act generally requires that said Plan be updated and adopted at least once every five years on or before July 1, in years ending in six and one; and

**WHEREAS**, pursuant to the Sacramento-San Joaquin Delta Reform Act of 2009 (Wat. Code § 85000, et seq.), the Delta Plan, and Water Code section 85021, which declares that the State's policy is to "reduce reliance on the Delta in meeting California's future water needs through a statewide strategy of investing in improved regional supplies, conservation, and water use efficiency," urban water suppliers are encouraged by the California Department of Resources (DWR) and the Delta Stewardship Council (DSC) to consider adopting an Addendum to their 2015 Plans to demonstrate consistency with the Delta Plan Policy WR P1 to Reduce Reliance on the Delta Through Improved Regional Water Self-Reliance (Cal. Code Regs. tit. 23, § 5003); and

**WHEREAS**, Santa Clarita Valley Water Agency (SCV Water) meets the definition of an urban retail water supplier for purposes of the Act; and

**WHEREAS**, SCV Water has prepared an Addendum to its 2015 Plan in accordance with Delta Plan Policy WR P1, and in accordance with applicable legal requirements, has undertaken certain coordination, notice, public involvement, public comment, and other procedures in relation to its Addendum; and

**WHEREAS**, in accordance with the Act and Delta Plan Policy WR P1, SCV Water has prepared its Addendum to the 2015 Plan with its own staff, with the assistance of consulting professionals, and in cooperation with other governmental agencies, and has utilized and relied upon industry standards and the expertise of industry professionals in preparing its Addendum to its 2015 Plan, and has also utilized DWR's Urban Water Management Plan Guidebook 2020, including its related appendices, in preparing its Addendum to the 2015 Plan; and

**WHEREAS**, in accordance with applicable law, including Water Code section 10642, and Government Code section 6066, a Notice of a Public Hearing regarding SCV Water's Addendum to the 2015 Plan was published within the jurisdiction of SCV Water on May 15, 2021 and May 22, 2021; and

**WHEREAS**, in accordance with applicable law, including but not limited to Water Code section 10642, a public hearing was held on May 27, 2021 at 6:00 p.m., or soon thereafter, via Zoom meeting as listed on the May 27, 2021 Board Agenda and on SCV Water's website <https://yourscvwater.com>, and a continuation of the public hearing was held on June 16, 2021 at 6:00 p.m., or soon thereafter, via Zoom meeting as listed on the June 16, 2021 Board Agenda and on SCV Water's website <https://yourscvwater.com> in order to provide members of the public

and other interested entities with the opportunity to be heard in connection with proposed adoption of the Addendum to the 2015 Plan and issues related thereto; and

**WHEREAS**, pursuant to said public hearing on SCV Water's Addendum to the 2015 Plan, SCV Water, among other things, encouraged the active involvement of diverse social, cultural, and economic members of the community within SCV Water's service area with regard to the Addendum to the 2015 Plan and encouraged community input regarding SCV Water's Addendum to the 2015 Plan; and

**WHEREAS**, the SCV Water Board of Directors has reviewed and considered the purposes and requirements of the Act and Delta Plan Policy WR P1, the contents of the Addendum to the 2015 Plan, and the documentation contained in the administrative record in support of the Addendum to the 2015 Plan, and has determined that the factual analyses and conclusions set forth in the Addendum to the 2015 Plan are legally sufficient; and

**WHEREAS**, the SCV Water Board of Directors desires to adopt the Addendum to the 2015 Plan prior to July 1, 2021 in order to comply with the Act and Delta Plan Policy WR P1, and

**WHEREAS**, Section 10652 of the California Water Code provides that the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code) (CEQA) does not apply to the preparation and adoption, including addenda thereto, of urban water management plans pursuant to this part.

**NOW THEREFORE BE IT RESOLVED**, the Board of Directors of the Santa Clarita Valley Water Agency hereby resolves as follows:

1. The Addendum to SCV Water's 2015 Urban Water Management Plan to demonstrate consistency with the Delta Plan Policy to Reduce Reliance on the Delta Through Improved Regional Water Self-Reliance is hereby adopted as amended by changes incorporated by the SCV Water Board of Directors as a result of input received (if any) at the public hearing and ordered filed with the Secretary of SCV Water.

2. The General Manager is hereby authorized and directed to include a copy of this Resolution in SCV Water's 2015 Plan Addendum.

3. The General Manager is hereby authorized and directed, in accordance with Water Code sections 10621(d) and 10644(a)(1)-(2), to electronically submit a copy of the Addendum to the 2015 Plan to DWR no later than July 1, 2021.

4. The General Manager is hereby authorized and directed, in accordance with Water Code section 10644(a), to submit a copy of the Addendum to the 2015 Plan to the California State Library, and to any city or county within which SCV Water provides water supplies no later than thirty (30) days after this adoption date.

5. The General Manager is hereby authorized and directed, in accordance with Water Code section 10645, to make the Addendum to the 2015 Plan available for public review at SCV Water's offices during normal business hours and on its website at <https://yourscvwater.com> no later than thirty (30) days after filing a copy of the Addendum to the 2015 Plan with DWR.

6. SCV Water Board of Directors finds and determines that this resolution is not subject to CEQA pursuant to Water Code Section 10652 because CEQA does not apply to the

preparation and adoption, including addenda thereto, of an urban water management plan or to the implementation of the actions taken pursuant to such plans. Because this resolution comprises SCV Water Board of Director's adoption of its Addendum to the 2015 Plan and involves its implementation, no CEQA review is required.

7. Pursuant to CEQA, the SCV Water Board of Directors directs staff to file a Notice of Exemption with the Los Angeles and Ventura County Clerk's office within five (5) working days of adoption of this resolution.

8. The document and materials that constitute the record of proceedings on which this resolution and the above findings have been based are located at Los Angeles County, 12400 Imperial Highway, Norwalk, Ca 90650, and Ventura County, 800 South Victoria Avenue, Ventura, Ca 93009-1260. The custodian for these records is the Santa Clarita Valley Water Agency.

  
\_\_\_\_\_  
President

I, the undersigned, hereby certify: That I am the duly appointed and acting Secretary of the Santa Clarita Valley Water Agency, and that at a special meeting of the Board of Directors of said Agency held on June 16, 2021, the foregoing Resolution No. SCV-218 was duly and regularly adopted by said Board, and that said resolution has not been rescinded or amended since the date of its adoption, and that it is now in full force and effect.

DATED: June 16, 2021

  
\_\_\_\_\_  
Secretary
