Subject: Dante Acosta's Nomination

I urge the board to approve the nomination of Dante Acosta to the board.

I've known Dante for almost a decade. He is a long-time community volunteer, activist, recognized leader and public servant. His range of experience in business as well as in California government at various levels both partisan and non-partisan.

I've known and seen him in action as an active Rotarian; I know that he lives by the Four Way Test and would be a great advocate for the ratepayers and other stakeholders of the district.

Public boards are created so that not only experts in a particular field are present for oversight, but those of diverse backgrounds and experience can ask the right questions, represent the public, and keep the agencies involved accountable.

Please vote yes on the motion to appoint Dante Acosta to the board.

Thank you

Matt

Subject: Dante Acosta

Hi April,

I wanted to send you a quick note regarding Dante Acosta. I have known Dante personally and professionally since 2008, three years before his son was killed in Afghanistan.

What I appreciate about Dante is that he is resourceful and has an appetite for learning. I would hope that any negative and snarky comments sent to you by SCV Facebook page agitators would not be given an overweight measure in Dante's qualifications or lack thereof for the position in which he has been nominated to serve.

Thank you kindly,

Subject: Dante Acosta appointment to SCVWA

April;

I am sending this email in support of Dante Acosta's appointment to the SCV Water agency board. My family and I support this decision 100%, and know his experience, wisdom, and dedication will prove to be a valuable asset to the board. My daughter has interned for Dante, during his tenure as assemblyman, and worked for his campaign. From this, we have become intimately aware of his character, and his commitments to serving our community.

Please do not allow radical partisanship by those who would oppose anyone not amongst their camp, to affect your decision in Dante's confirmation. The board is, and should always be bipartisan. To allow anything different would convey that radicalism works. We all fail then.

Thank you for your commitment to service.

Dante Acosta has a long history of dedication to our community and will serve the Board well. I urge for favorable consideration.

Thank you for your consideration and for making this email part of the record.
