Gary,

As you are aware I did not pull papers for reelection as a SCVWA director and my term will expire 12/31/22 or 1/1/23. Not sure exactly when.

I would like to continue to represent the agency as a director and committee member until the end of my term. Therefore, I am requesting to attend the agency meetings by zoom until the end of my term. I have served the agency well for 18 years and feel it is important to continue to fulfill my duties as a director. I will be in one location in NC and can post all required documents to legally attend the meetings.

Respectfully,

RJ
