Director Name: Maria Gutzeit

Meeting Attended: SCV Water Drought Seminar

Date of Meeting: 5/10/22

Board Meeting to Be Presented At: 5/17/22

Points of Interest:

I attended the SCV Water Drought presentation that was advertised locally. There were 47 attendees. SCV Water staff presented the background on current and historic drought conditions and the new statewide mandates. It was useful to hear the questions that the public has, as well as the programs available to help people conserve water. The slide differentiating us (multiple buckets/sources of water) from other areas (single bucket...single source of water) was particularly good. I also liked that they reminded people they may hear other conflicting information from greater Los Angeles Area, but that Santa Clarita had it's on water situation and it's own requirements.

DIRECTOR AB 1234 REPORT

ITEM NO. 11.5

Director Name: Maria Gutzeit

Meeting Attended: General Manager / Assistant General Manager Briefing

Date of Meeting: 5/12/22

Board Meeting to Be Presented At: 5/17/22

Points of Interest:

I attended a Zoom onboarding briefing to get updates on SCVWA issues at the suggestion of Matt Stone. Steve Cole also attended. We discussed water resource projects and achievements, the current Stage 2 declaration by the State, legal case updates, and more. This was a very high paced summary of things that occurred during 2021 up until present and was very useful in framing near term issues that will be coming before the board.
