## **SCV WATER'S LANDSCAPE AND GARDENING WORKSHOPS SCHEDULE RELEASED FOR 2024**

SCV Water is thrilled to announce its 2024 Landscape and Gardening Workshops, designed to empower individuals with the knowledge and skills to create sustainable, vibrant landscapes. New and revamped workshops are set to return to an in-person format to cultivate a community of gardening enthusiasts, providing a unique and enriching experience for all participants.

This series of six in-person workshops, led by expert instructors, will cover various topics from sustainable landscape design to water-wise lawn care.

### **2024 Landscape and Gardening Workshops Schedule:**

- February 10 - Sustainable Landscape Design
- April 6 - Bridgeport Park Sustainable Landscape Demonstration Garden Expo
- June 15 - Smart Watering: Landscape Irrigation 101
- July 13 - Selecting the Perfect Plants for SCV Landscapes
- September 14 - Water-Wise Lawns: Thriving Turf Care and Sustainable Alternatives
- October 12 - Sustainable Gardens: Native Plant Mastery at Bridgeport Park

### **Key Highlights of the Landscape Workshops:**

- **Expert Instructors:** Learn from seasoned horticulturists and gardening experts who bring a wealth of knowledge and hands-on experience to the classes.
- **Interactive Workshops:** Engage in interactive workshops that cover topics such as landscape design, native plant selection, and maximizing water use outdoors.
- **Community Building:** Connect with fellow gardening enthusiasts, share experiences, and build a supportive gardening community that extends beyond the classroom.

Classes will be held at 9 a.m. at either SCV Water's Pine Street location (23780 Pine Street) or at Bridgeport Park (23521 Bridgeport Lane) bi-monthly on Saturdays. Space is limited.
