SANTA CLARITA VALLEY WATER AGENCY BOARD DEVELOPMENT WORKSHOP

PARTNERSHIP FORWARD

OBJECTIVES

- 1. To provide a developmental experience that will create a sense of “partnership” within the SCVWA Board/Leadership Team and serve as a model for the manner and style of how this Team will interact in the future.**
- 2. To provide a clear understanding of Board and Leadership team expectations, roles and behaviors.**
- 3. To provide various experiential exercises that will provide a greater understanding of one’s individual style in relating to others under a cooperative environment as well one in which they are faced with conflict and opposition.**
- 4. To ultimately create a climate, which fosters a sense of ownership, respect and trust so all members of the Board and Leadership Team feel comfortable in confronting issues as well as working in a collaborative manner.**
