

Valencia Water Company Water SMART Program Dedicated Irrigation Variance Request

Company/Agency Name: _____ Account Number: _____

Contact Name: _____

Service Address: _____

Daytime Phone: _____ E-mail address: _____

For Approval/ Denial Notification

This form is to request an allocation greater than the amount Valencia Water Company (VWC) uses for your landscape allocation. If you believe you need an increased allocation based on the criteria listed below, you must complete and return this form. The **Water SMART** Program is designed to serve as a tool to help you identify problems such as leaks or over-watering. Using water efficiently helps save you money on your water bill and comply with the state mandate to reduce per capita water consumption by 20% by 2020. Variances may be approved for any of the following reasons and are subject to periodic review by VWC.

Additional landscape area:

(The landscaped area allocated to your property is shown on your water bill, located above the graph, on the top left).

Current Allocation _____ Sq Ft Additional Allocation Requested _____ Sq Ft

You must also submit a two (2) dimensional sketch. Show dimensions in feet and the total area in square feet. Include the surface area of water features but **do not include hardscape area (i.e. sidewalks, concrete drains) as part of the landscaped area total.** You may use the back of this form for your sketch or landscape plans. Additional information may be requested including, but not limited to, an irrigation audit or as-built site landscape plans.

Special Landscaped Area: (include landscaped area square footages for active play such as parks, sports fields, golf courses, or areas dedicated solely to edible plants)

Current Allocation _____ Sq Ft Additional Allocation Requested _____ Sq Ft

You must also submit a two (2) dimensional sketch. Show dimensions in feet and the total area in square feet. **Do not include hardscape area (i.e. tennis/basketball courts, concrete features) as part of the landscaped area total.** You may use the back of this form for your sketch or landscape plans. Additional information may be requested including, but not limited to, an irrigation audit or as-built site landscape plans.

Other: (as listed in Valencia Water Company DIM and DIM-MS Variance Tariff)

There may be instances where an increased allocation on a permanent or temporary basis may be appropriate. If you believe that is the case, please provide the details below and attach any documentation you may have. Our Customer Service Department will contact you regarding your request within 30 business days.

In most cases, if approved, variances will be applied starting with your next bill.

I have completed this form and affirm that I am the above account holder and the information contained herein, including attachments, is complete and accurate. I may be liable for back charges for providing false information. Further, I understand that VWC reserves the right to inspect and/ or rescind all variances granted.
