CAUTION - EXTERNAL SENDER

Hi April,

Can you please include my public comment below for the September 7th Board meeting? I want to let the Board know to disregard the letter I had previously sent you and is included in the Board packet. My comment below clarified my misunderstanding of the out of state premiums.

Please let me know if I need to send my comments below separately or if this email will suffice.

Thanks,
Elizabeth

Subject: Public Comment Item No. 6.3

Dear Board of Directors:

As I was reviewing the September 7th Board packet, I was still troubled why CALPERS would contract to increase the PPO premiums so much for out of state retirees. I decided to call CALPERS again today, September 2, 2021 to confirm the out of state rates again.

Fortunately, the person I had on the phone this time clarified that my out of state premium would be \$2,204.05 and not the \$2,461.63 that I originally thought and confirmed with CALPERS previously. Apparently, the previous CALPERS agent did not realize I was not a State retiree and I had thought PA only, was abbreviation for Pennsylvania state residents instead of "Public Agency". CALPERS never mentioned PA or State and distinguished the different rates in their 2021 out of state premiums, since the rates for both were the same.

I apologize for the misunderstanding and wasting your time. Please disregard my August 23, 2021 letter regarding my concerns on the 2022 out of state premium contribution.

Sincerely,
Elizabeth Ooms-Graziano

Subject: 2022 Medical Contribution Letter for 9/7/21 Board Packet

CAUTION - EXTERNAL SENDER

Hi April,

I hope you are doing well at the Agency. I have attached a letter to the Board of Directors regarding my concerns on the 2022 Medical Contribution based on the Finance and Administration Committee meeting packet on August 16, 2021. Can you please attached my letter with attachments for the September 7, 2021 Board meeting regarding the same subject?

Please let me know if you have any questions or if I need to do something different to get my letter of concern before the Board approves the 2022 Medical Contribution Resolution.

Thanks and have a great weekend!

Elizabeth
