SCV Water Receives Accolade for its Comprehensive Financial Report for the Fiscal Year 2020/21

Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to Santa Clarita Valley Water Agency for its annual comprehensive financial report for FY 2020/21.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting. Its attainment represents a significant accomplishment by a government and its management.

"It is always an honor for the agency and staff to be awarded the Certificate of Achievement from Government Finance Officers Association," said Rochelle Patterson, SCV Water Chief Financial and Administrative Officer. "We take great pride in being financially transparent and accountable by producing a superb annual report that exceeds all requirements."

An impartial panel judged the report to meet the program's high standards, including demonstrating a constructive "spirit of full disclosure" to communicate its financial story and motivate potential users and user groups to read the report.
