SCV Water Board meeting to be presented at: February 2, 2021

On January 28, 2021, I attended the SCV Chamber of Commerce 98<sup>th</sup> Annual Awards and Installation

The program was conducted in a virtual format using the "Remo" platform that allowed for participants to move from table to table as open seats became available during the 30 minute period before the formal program began, and for 30 minutes after the program. This allowed for networking with many different community members and leaders.

The program included installation of the 2021 board of directors and chairman. It also included the presentation of the SCV Business Choice award recipients. This year there was an added category for "Pandemic Leadership," and SCV Water was one of the nominees. Although we were not selected, it was none the less an honor to be nominated and a positive reflection of the good work done by Agency staff and leadership. Thank you SCV Water staff and congratulations of your nomination!

It was an outstanding event and I appreciate being able to attend.
