Dear Directors and SCV Water staff,

We will appreciate all of you working with the city to complete the disc golf course in an expedient time frame.

Spring is around the corner and the current course is becoming congested weekend and evenings.

We would appreciate a report about any issues that are slowing the process.

The disc golf community stands ready to assist the agencies .

Subject: LA County Fire Uses Disc Golf Course for PE
Attachments: IMG-0690.jpg

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Directors should be aware that LA Fire Dept utilizes the Central Park course for authorized PE exercise.

It is important that public agencies work together to support our local first responders who are dedicated to keeping our community safe.

Respectfully

Steve Petzold
