SCV Water Board of Directors ,

Dear Water Board,

I am disappointed by the scandals our Water Board is now embroiled in. I expect far more from our elected officials and will be voting for ETHICAL candidates in the upcoming election.

Also|

The ratepayers/customers served by the Santa Clarita Valley Water Agency should have their voices represented on the SCV Water Board by individuals who are present, active, and upstanding in their roles as public elected officials.

SCV Water ratepayers deserve to be represented by someone with greater moral clarity and without a history of domestic violence. With that in mind, I ask that the SCV Water Directors please consider censuring Director Mortensen and removing him from his position as Vice President of the Board.

Additionally, Director Atkins continues to avoid clearly addressing whether he still lives in the district. Please place his seat on the November 2022 ballot to give ratepayers the ability to choose a new representative on the water agency board who is present, both physically and mentally.

SCV Water Board of Directors ,

As a ratepayer served by the Santa Clarita Valley Water Agency, I should be represented on the SCV Water Board by a present, active, and upstanding public elected official.

Given this and given the situation around director Mortensen, I ask that the SCV Water Directors please consider censuring Director Mortensen and removing him from his position as Vice President of the Board.

Additionally, after a year, Director Atkins still avoids addressing whether he still lives in the district. Given the timing of his move, it seems that he should not have run for re-election in 2020. Please place his seat on the November 2022 ballot so we can choose a new representative on the water agency board who is present, both physically and mentally.

Dear SCV Water Agency,

I am a resident of SCV (Valencia).

I would like to call for the water agency to address the following issues as soon as possible:

- 1) censure and remove Director Mortenson, who has been convicted of domestic abuse.
- 2) remove and replace Director Atkins, who has apparently moved out of the district.

Thank you for your prompt attention to these very serious matters.

Sincerely,

Christine Okamoto

Dear SCV Board Members:

This is my second email addressing the board concerning Director Mortensen's recent domestic violence conviction charge. I wish to urge the members to immediately censure and remove Director Mortenson in order to preserve the integrity of the Agency's standards of governing.

The Agency has an obligation to stand firm and demonstrate to the public that proper conduct and ethical standards are in lock step with governance. Otherwise, it can only be construed by the public that the SCV Water Board tolerates acts of violence against women in their board members.

As a customer and deeply concerned resident, the only solution here is to immediately censure Director Mortensen and remove him from the position of Vice President of the Board, placing Director Atkins' seat on the November 2022 ballot to give ratepayers the opportunity to vote for a representative who is of high caliber and not a threat to the public.

Please do the right thing and hold Director Mortenson accountable by not rewarding his bad behavior.

Sincerely,

Lisa M. McDougald

PERPETRATOR DAN MUST RESIGN. At the end of the day he is a CONVICTED WIFE ABUSER.

ALSO - WHERE DOES BK ATKINS LIVE? Is is he still saying he is staying in Perpetrator Dan's mother in law's house? He isn't there - 100% he isn't there.

How much embarrassment is this agency willing to bear to hold up these ethically corrupt members?

Blessings,
