Section 2.10. Book-Entry System.

(a) 2020 Bonds shall be issued in fully registered form and shall be initially issued registered in the name of "Cede & Co.," as nominee of The Depository Trust Company in accordance with this Section 2.10. The 2020 Bonds shall be evidenced by one bond maturing on each stated Maturity Date of 2020 Bonds. The 2020 Bonds may be assigned by the Trustee a distinctive number or letter and number, and a record of the same shall be maintained by the Trustee. Registered ownership of the 2020 Bonds, or any portion thereof, may not thereafter be transferred except as set forth in this Section 2.10.

With respect to book-entry 2020 Bonds, the Issuer and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry 2020 Bonds. Without limiting the immediately preceding sentence, the Issuer and the Trustee shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry 2020 Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the 2020 Bond registration books, of any notice with respect to book-entry 2020 Bonds, including any notice of redemption; (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry 2020 Bonds to be redeemed in the event the Issuer redeems the 2020 Bonds in part; or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to principal, premium, if any, or interest with respect to book-entry 2020 Bonds. The Issuer and the Trustee may treat and consider the person in whose name each book-entry 2020 Bond is registered in the 2020 Bond registration books as the absolute Owner of such book-entry 2020 Bond for the purpose of payment of principal, premium and interest on such 2020 Bond, for the purpose of giving notices of redemption and other matters with respect to such 2020 Bond, for the purpose of registering transfers with respect to such 2020 Bond, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest on the 2020 Bonds only to or upon the order of the respective Owner, as shown in the 2020 Bond register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest evidenced and borne by the 2020 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the 2020 Bond registration books, shall receive a 2020 Bond evidencing the obligation to make payments of principal, premium, if any, and interest evidenced and borne by the 2020 Bonds. Upon delivery by the Depository to the Owner and the Trustee, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such nominee of the Depository.

(b) Delivery of Letter of Representations. In order to qualify the book-entry 2020 Bonds for the Depository's Book-Entry System, the Issuer and the Trustee shall execute and deliver to the Depository, if required by the Depository, a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Issuer or the Trustee any obligation whatsoever with respect to persons having interests in such book-entry 2020 Bonds other than the Owners, as shown on the 2020 Bond registration books. By executing a Letter of Representations, the Trustee shall agree to take all action necessary at all times so that the Trustee will be in compliance with all representations of the Trustee in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the Issuer and the Trustee shall take such other actions, not inconsistent with this Indenture, as are reasonably necessary to qualify book-entry 2020 Bonds for the Depository's Book-Entry System.

(c) Selection of Depository. In the event that: (i) the Depository determines not to continue to act as securities depository for book-entry 2020 Bonds; or (ii) the Issuer determines that continuation of the Book-Entry System is not in the best interest of the beneficial owners of the 2020 Bonds or the Issuer, then the Issuer will discontinue the Book-Entry System with the Depository. If the Issuer determines to replace the Depository with another qualified securities depository, the Issuer shall prepare or direct the preparation of a new single, separate, fully registered 2020 Bond for each of the Maturity Dates of such book-entry 2020 Bonds, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (e) hereof. If the Issuer fails to identify another qualified securities depository to replace the

Depository, then the 2020 Bonds shall no longer be restricted to being registered in such 2020 Bond register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such 2020 Bonds shall designate, in accordance with the provisions of Sections 2.06 and 2.07 hereof.

(d) Payments To Depository. Notwithstanding any other provision of this Indenture to the contrary, so long as all Outstanding 2020 Bonds are held in book-entry form and registered in the name of the Nominee, all payments with respect to principal, redemption premium, if any, and interest on such 2020 Bond and all notices with respect to such 2020 Bond shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Trustee notwithstanding any inconsistent provisions herein.

(e) Transfer of 2020 Bonds to Substitute Depository.

(i) The 2020 Bonds shall be initially authenticated and delivered as provided in Section 2.01 hereof. Registered ownership of such 2020 Bonds, or any portions thereof, may not thereafter be transferred except:

(A) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to clause (B) of subsection (i) of this subsection (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(B) to any Substitute Depository, upon: (i) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository; or (ii) a determination by the Issuer that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(C) to any person as provided below, upon: (i) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or; (ii) a determination by the Issuer that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(ii) In the case of any transfer pursuant to clause (A) or clause (B) of subsection (i) of this subsection, upon receipt of all Outstanding 2020 Bonds by the Trustee, together with a Written Request of the Issuer to the Trustee designating the Substitute Depository, a single new 2020 Bond, which the Issuer shall prepare or cause to be prepared, shall be authenticated and delivered for each series and maturity of 2020 Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such Written Request of the Issuer. In the case of any transfer pursuant to clause (C) of subsection (i) of this subsection, upon receipt of all Outstanding 2020 Bonds by the Trustee, together with a Written Request of the Issuer to the Trustee, new 2020 Bonds, which the Issuer shall prepare or cause to be prepared, shall be authenticated and delivered in such denominations and registered in the names of such persons as are requested in such Written Request of the Issuer, subject to the limitations of Section 2.01 hereof, provided that the Trustee shall not be required to deliver such new 2020 Bonds within a period of less than sixty (60) days from the date of receipt of such Written Request from the Issuer.

(iii) In the case of a partial redemption or an advance refunding of any 2020 Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such 2020 Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Trustee, all in accordance with the Letter of Representations. The Trustee shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(iv) the Issuer and the Trustee shall be entitled to treat the person in whose name any 2020 Bond is registered as the Owner thereof for all purposes of this Indenture and any applicable laws, notwithstanding any notice to the contrary received by the Trustee or the Issuer; and the Issuer and the Trustee shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the 2020 Bonds. Neither the Issuer nor the Trustee shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any 2020 Bonds, and the Trustee may rely conclusively on its records as to the identity of the Owners of the 2020 Bonds.

The 2020 Bonds shall be subject to optional redemption prior to their respective stated maturities, as determined by the Agency in a certificate of the Manager attached hereto as Exhibit B, as a whole or in part, on any date in the order directed by the Agency in a Written Request provided to the Trustee at least 45 days (or such lesser number of days acceptable to the Trustee in its sole discretion) prior to such date and by lot within each maturity, on the dates and at the Redemption Price of such 2020 Bonds provided by the Agency in a certificate of the Manager attached hereto as Exhibit B.

(b) Optional Redemption of 2020B Bonds with Make-Whole Payments. The 2020B Bonds shall be subject to redemption prior to August 1, 2028 at the option of the Agency, as a whole or in part on any Business Day in the order of maturity as directed by the Agency in a Written Request provided to the Trustee at least 45 days (or such lesser number of days acceptable to the Trustee, such notice for the convenience of the Trustee) prior to such date and by lot within each

maturity in integral multiples of \$5,000, at the “Make-Whole Redemption Price.” “Make-Whole Redemption Price” means the greater of (1) 100% of the principal amount of the 2020B Bonds being redeemed, and (2) the sum of the present values of the remaining unpaid scheduled payments of principal and interest on any 2020B Bonds being redeemed, not including any portion of those payments of interest accrued and unpaid to the date of redemption, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus the following make-whole call spread for the 2020B Bonds maturing on the dates set forth below, plus accrued and unpaid interest on the 2020B Bonds to be redeemed on the redemption date:

<i>Maturity Date</i>	<i>Make-Whole Call Spread (Basis Points)</i>

However, if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(c) Redemption from Net Proceeds. The 2020 Bonds shall be subject to redemption prior to their respective stated maturities, as a whole or in part, on any date in the order of maturity as directed by the Agency in a Written Request provided to the Trustee at least 45 days (or such lesser number of days acceptable to the Trustee in its sole discretion) prior to such date and by lot within each maturity in integral multiples of \$5,000 from prepaid 2020 Installment Payments made by the Agency from Net Proceeds, upon the terms and conditions of, and as provided for in, Section 7.1 of the Installment Purchase Agreement, at a Redemption Price equal to the principal amount thereof and accrued interest thereon to the redemption date without premium.

* Final Maturity.

Section 4.02. Selection of 2020 Bonds To Be Redeemed. If any 2020 Bond is in a denomination larger than a minimum Authorized Denomination, a portion of such 2020 Bonds (the minimum Authorized Denomination or any integral multiple thereof) may be redeemed pursuant to this section, in which case the Trustee shall, without charge to the Owner, authenticate and issue a replacement 2020 Bond or 2020 Bonds for the unredeemed portion thereof.

In the case of a partial redemption of 2020A Bonds, if less than all of the 2020A Bonds of a maturity are called for prior optional redemption, the Trustee shall select the 2020A Bonds to be redeemed by lot at such times as directed by the Agency in writing at least thirty (30) days prior to the redemption date and if such selection is more than sixty (60) days before a redemption date, shall appropriately identify the 2020A Bonds so called for redemption by stamping them at the time any 2020A Bonds so selected for redemption are presented to the Trustee for stamping or for transfer or exchange, or by such other method of identification as is deemed adequate by the Trustee, and any 2020A Bond or 2020A Bonds issued in exchange for, or to replace, any 2020A Bond so called for prior redemption shall likewise be stamped or otherwise identified.

Whenever provision is made in this Indenture for the redemption of less than all of the 2020B Bonds, if the 2020B Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the 2020B Bonds, if less than all of the 2020B Bonds of a maturity are called for prior optional redemption, the particular 2020B Bonds or portions thereof to be redeemed shall be selected on a "Pro Rata Pass-Through Distribution of Principal" basis in accordance with DTC procedures, provided that, so long as the 2020B Bonds are held in book-entry form, the selection for redemption of such 2020B Bonds shall be made in accordance with the operational arrangements of DTC then in effect and if the DTC operational arrangements do not allow redemption on a Pro Rata Pass Through Distribution of Principal basis, the 2020B Bonds will be selected for redemption in accordance with DTC procedures by lot and in integral multiples of \$5,000

Section 4.03. Notice of Redemption. The Agency shall notify the Trustee at least forty-five (45) days (or such lesser number of days acceptable to the Trustee in the sole discretion of the Trustee) prior to the redemption date for 2020 Bonds pursuant to Section 4.01(a) or Section 4.01(b). Notice of redemption shall be mailed by the Trustee, not less than thirty (30) nor more than sixty (60) days prior to the redemption date: (i) to the respective Owners of any 2020 Bonds designated for redemption at their addresses appearing on the bond registration books of the Trustee by first-class mail; (ii) to the Securities Depository by facsimile and by first-class mail; and (iii) to the Information Services by first-class mail. Notice of redemption shall be given in the form and in accordance with the terms of this Indenture.

Each such notice of redemption will state the date of notice, the redemption date, the place or places of redemption and the redemption price, will designate the maturities, CUSIP numbers, if any, and, if less than all of any such maturity is to be redeemed, the serial numbers of the 2020 Bonds of such maturity to be redeemed by giving the individual number of each 2020 Bond or by stating that all 2020 Bonds between two stated numbers, both inclusive, have been called for redemption and, in the case of 2020 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice will also state that on said date there will become due and payable on each of said 2020 Bonds the Redemption Price thereof or of said specified portion of the principal thereof in the case of a 2020 Bond to be redeemed in part only, together with interest accrued with respect thereto to the redemption date, and that (provided that moneys for redemption have been deposited with the Trustee) from and after such redemption date interest

thereon ceases to accrue, and will require that such 2020 Bond be then surrendered to the Trustee. Any failure to receive such notice or any defect in the notice or the mailing will not affect the validity of the redemption of any 2020 Bond.

Section 4.04. Partial Redemption of 2020 Bonds. Upon surrender of any 2020 Bond redeemed in part only, the Issuer shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Agency, a new 2020 Bond of Authorized Denominations, and of the same Maturity Date and interest rate, equal in aggregate principal amount to the unredeemed portion of the 2020 Bond surrendered.

Section 4.05. Effect of Redemption of 2020 Bonds. If notice of redemption has been duly given pursuant to Section 4.03 hereof, and money for payment of the Redemption Price of, together with interest accrued to the redemption date on, the 2020 Bonds (or portions thereof) so called for redemption is held by the Trustee, on the redemption date designated in such notice, the 2020 Bonds (or portions thereof) so called for redemption shall become due and payable at the Redemption Price specified in such notice together with interest accrued thereon to the date fixed for redemption, interest on the 2020 Bonds so called for redemption shall cease to accrue, the 2020 Bonds (or portions thereof) shall cease to be entitled to any benefit or security under the Indenture, and the Owners of the 2020 Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price and accrued interest. Any defect as failure to receive notice shall not affect the sufficiency of the proceedings of redemption.

All 2020 Bonds redeemed pursuant to the provisions hereof shall be cancelled upon surrender thereof and destroyed.

ARTICLE V

2020 INSTALLMENT PAYMENTS

Section 5.01. Assignment of Revenues. The Issuer, for good and valuable consideration, does hereby unconditionally grant, transfer and assign to the Trustee without recourse all its rights to receive the Revenues and enforce the Installment Purchase Agreement upon an event of default thereunder for the benefit of the Owners of the 2020 Bonds, for the purpose of securing: (a) the payment of all sums due and owing to the Owners of the 2020 Bonds under the terms of the Indenture; and (b) the observance, performance and discharge of each agreement, condition, covenant and term of the Agency contained in the Installment Purchase Agreement, and the Trustee hereby accepts such assignment.

All 2020 Installment Payments shall be paid directly by the Agency to the Trustee, and all 2020 Installment Payments received by the Trustee shall be held in trust by the Trustee under the terms hereof for the benefit of the Agency until deposited in the funds provided in Section 5.02, whereupon such money shall be held in trust in such funds by the Trustee for the benefit of the Owners.

Section 5.02. Deposit of Revenues. The Trustee shall deposit all Revenues paid to it into the Bond Payment Fund and shall transfer such funds to the Interest Account, the Principal Account and the Redemption Account in the manner and at the times hereinafter provided. The Bond Payment Fund (and all accounts contained therein) shall be maintained so long as any 2020 Bonds are Outstanding. All moneys in the Bond Payment Fund (and the accounts contained therein) shall

be disbursed only for the purposes and uses hereinafter authorized; provided that any money in such fund or accounts not required to pay the principal and interest and redemption premiums, if any, on the 2020 Bonds shall on the Business Day immediately following each Interest Payment Date, be transferred to the Issuer to be used for any lawful purpose of the Issuer.

(a) Interest Account. On or prior to each Interest Payment Date, the Trustee shall transfer to the Interest Account that amount of money representing the portion of the Revenues constituting the interest becoming due and payable on such Interest Payment Date. All money in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the 2020 Bonds on their respective Interest Payment Dates.

(b) Principal Account. On or prior to each Maturity Date (commencing on February 1, 2021), the Trustee shall transfer to the Principal Account that amount of money representing the portion of the Revenues constituting the principal becoming due and payable on such Maturity Date. All money in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal on the 2020 Bonds on their respective maturities.

(c) Redemption Account. Any prepayments paid to the Trustee pursuant to the Installment Purchase Agreement shall immediately be transferred to the Redemption Account. All money in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest and principal and redemption premiums, if any, on the 2020 Bonds to be redeemed on their respective optional or mandatory redemption dates.

Section 5.03. Rebate Fund.

(a) Establishment. The Trustee shall establish a separate fund designated the “Rebate Fund.” Absent an opinion of Special Counsel that the exclusion from gross income for federal income tax purposes of interest on the 2020A Bonds will not be adversely affected, the Issuer shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment to the United States Treasury. All amounts on deposit in the Rebate Fund shall be governed by this section and the Tax Certificate for the 2020A Bonds, unless and to the extent that the Issuer delivers to the Trustee an opinion of Special Counsel that the exclusion from gross income for federal income tax purposes of interest on the 2020A Bonds will not be adversely affected if such requirements are not satisfied.

(i) Computation. Within 55 days of the end of each Bond Year (as such term is defined in the Tax Certificate), the Issuer shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exception of Section 148(f)(4)(B) and the construction expenditure exception of Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of the Code (the “1½% Penalty”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “Rebatable Arbitrage”). The Issuer shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this section.

(ii) Transfer. Within 55 days of the end of the fifth Bond Year, upon the Written Request of the Issuer, an amount shall be deposited to the Rebate Fund by the Trustee from any Revenues legally available for such purpose (as specified by the Issuer in the aforesaid Written Request), if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this subsection (a). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon Written Request of the Issuer, the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Bond Payment Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed by Request of the Issuer, to the United States Treasury, out of amounts in the Rebate Fund:

(A) not later than 60 days after the end of: (X) the fifth Bond Year; and (Y) each applicable fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(B) not later than 60 days after the payment of all the 2020A Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the date of such payment and any income attributable to the Rebatable Arbitrage determined to be due and payable, computed in accordance with Section 1.148-3 of the Treasury Regulations.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Issuer shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made pursuant to this subsection (a) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment in full of the 2020A Bonds and the payments described in subsection (a)(iii) above being made may be withdrawn by the Issuer upon written direction of the Issuer to the Trustee and utilized in any manner by the Issuer.

(c) Survival of Defeasance. Notwithstanding anything in this section to the contrary, the obligation to comply with the requirements of this section shall survive the defeasance or payment in full of the 2020A Bonds.

(d) Recordkeeping. The Issuer shall retain records of all determinations made hereunder until six years after the complete retirement of the 2020A Bonds.

The Trustee shall not be responsible for calculating rebate amounts or for the adequacy or correctness or any rebate report or rebate calculations. The Trustee shall be deemed conclusively to have complied with the provisions of this Indenture regarding calculation and payment of rebate if it follows the directions of the Issuer and it shall have no independent duty to review or such calculations or enforce compliance with such rebate requirements.

(b) Arbitrage. The Issuer will make no use of the proceeds of the 2020A Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the 2020A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(c) Federal Guaranty. The Issuer will make no use of the proceeds of the 2020A Bonds or take or omit to take any action that would cause the 2020A Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

The Issuer will indemnify and hold harmless the Trustee and the Owners against any and all liability claimed or asserted by any person arising out of any such receipt, deposit or disbursement, and will indemnify and hold harmless the Owners against any attorneys' fees or other expenses which any of them may incur in connection with any litigation or otherwise in connection with the foregoing to which any of them may become a party in order to enforce their rights hereunder or under the 2020 Bonds; provided that such litigation shall be concluded favorably to such Owners' contentions therein.

Section 6.04. Accounting Records and Statements. The Trustee shall keep proper books of record and account in accordance with corporate trust industry standards in which complete and correct entries shall be made of all transactions made by the Trustee relating to the receipt, investment, disbursement, allocation and application of the Revenues and the proceeds of the 2020 Bonds. Such records shall be open to inspection by the Issuer and by any Owner at any reasonable time during regular business hours on reasonable notice. Not later than the fifteenth (15th) day of each month, commencing on the first calendar month after the initial issuance of the 2020 Bonds, and continuing so long as any 2020 Bonds are Outstanding, the Trustee will furnish to the Issuer and to the Agency a complete statement covering the receipts, deposits and disbursements of the funds held by the Trustee hereunder for the preceding month; provided that the Trustee shall not be obligated to provide an accounting for any fund or account that: (a) has a balance of \$0.00; and (b) has not had any activity since the last reporting date.

Section 6.05. Further Assurances. Whenever and so often as requested to do so by the Trustee or any Owner, the Issuer will promptly execute and deliver, or cause to be executed and delivered, all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Owners the benefit, protection and security conferred, or intended to be conferred, upon them hereby.

ARTICLE VII

DEFAULT AND LIMITATIONS OF LIABILITY

Section 7.01. Events of Default. The following events shall be Events of Default hereunder:

- (a) Default by the Issuer in the due and punctual payment of the principal of any 2020 Bonds when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.
- (b) Default by the Issuer in the due and punctual payment of any installment of interest on any 2020 Bonds when and as the same shall become due and payable.
- (c) Default by the Issuer in the observance of any of the other covenants, agreements or conditions on its part contained in this Indenture or in the 2020 Bonds, if such default

shall have continued for a period of sixty (60) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Issuer by the Trustee or by the Owners of a majority in aggregate principal amount of 2020 Bonds Outstanding; provided, however, that if in the reasonable opinion of the Issuer the default stated in the notice can be corrected, but not within such sixty (60) day period and corrective action is instituted by the Issuer within such sixty (60) day period and diligently pursued in good faith until the default is corrected such failure shall not become an Event of Default.

(d) The Issuer shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Issuer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Issuer or of the whole or any substantial part of its property.

Section 7.02. Remedies Upon Event of Default. If any Event of Default shall occur, then, and in each and every such case during the continuance of such Event of Default, the Trustee may, and at the written direction of the Owners of not less than a majority in aggregate principal amount of the 2020 Bonds at the time Outstanding shall, upon notice in writing to the Issuer, declare the principal of all of the 2020 Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything contained in this Indenture or in the 2020 Bonds to the contrary notwithstanding.

Any such declaration is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Issuer shall deposit with the Trustee a sum sufficient to pay all the principal of and interest on the 2020 Bonds the payment of which is overdue, with interest on such overdue principal at the rate borne by the respective 2020 Bonds to the extent permitted by law, and the reasonable charges and expenses of the Trustee, and any and all other Events of Default known to the Trustee (other than in the payment of principal of and interest on the 2020 Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case the Trustee shall, on behalf of the Owners of all of the 2020 Bonds, rescind and annul such declaration and its consequences and waive such Event of Default; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, or shall impair or exhaust any right or power consequent thereon.

Section 7.03. Application of Revenues and Other Funds After Default. If an Event of Default shall occur and be continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee as follows and in the following order:

(a) To the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the 2020 Bonds and payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under this Indenture; and

(b) To the payment of the principal of and interest then due on the 2020 Bonds (upon presentation of the 2020 Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of this Indenture, in the following order of priority:

First: To the payment to the persons entitled thereto of all interest then due in the order of the due date of such interest, and, if the amount available shall not be sufficient to pay in full any interest due on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any 2020 Bonds which shall have become due, whether at maturity or by acceleration or redemption, with interest on the overdue principal at the rate of two hundred (200) basis points above the interest rate per annum on such overdue principal, and, if the amount available shall not be sufficient to pay in full all the 2020 Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference.

Section 7.04. Trustee to Represent 2020 Bond Owners. The Trustee is hereby irrevocably appointed (and the successive respective Owners of the 2020 Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the 2020 Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the 2020 Bonds or this Indenture and applicable provisions of any other law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the 2020 Bond Owners, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of the 2020 Bonds then Outstanding and upon being indemnified to its satisfaction therefor, shall proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the 2020 Bonds or this Indenture or any other law; and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Revenues and other assets pledged under this Indenture, pending such proceedings. All rights of action under this Indenture or the 2020 Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the 2020 Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such 2020 Bonds, subject to the provisions of this Indenture.

Notwithstanding anything contained herein, the Trustee shall have no security interest in or mortgage on the Project, any property of the Agency or other assets or property thereof and no default hereunder shall result in the loss of the Project, any property of the Agency or other assets or property thereof.

Section 7.05. 2020 Bond Owners' Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the 2020 Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing

executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conduct in all remedial proceedings taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to 2020 Bond Owners not parties to such direction.

Section 7.06. Limitation on 2020 Bond Owners' Right to Sue. No Owner of any 2020 Bonds shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Installment Purchase Agreement or any other applicable law with respect to such 2020 Bonds, unless: (a) such Owners shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the 2020 Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee shall have failed to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee; (e) no direction inconsistent with such written request shall have been given to the Trustee during such sixty (60) day period by the Owners of a majority in aggregate principal amount of the 2020 Bonds then Outstanding; and (f) such suit, action or proceeding is instituted subject to this Indenture.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of 2020 Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of 2020 Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of 2020 Bonds, or to enforce any right under the 2020 Bonds, this Indenture, the Installment Purchase Agreement or other applicable law with respect to the 2020 Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding 2020 Bonds, subject to the provisions of this Indenture.

Section 7.07. Absolute Obligation of Issuer. Nothing in Section 7.06 or in any other provision of this Indenture or in the 2020 Bonds contained shall affect or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on the 2020 Bonds to the respective Owners of the 2020 Bonds at their respective dates of maturity, or upon call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the 2020 Bonds.

Section 7.08. Termination of Proceedings. In case any proceedings taken by the Trustee or any one or more 2020 Bond Owners on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the 2020 Bond Owners, then in every such case the Issuer, the Trustee and the 2020 Bond Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Issuer, the Trustee and the 2020 Bond Owners shall continue as though no such proceedings had been taken.

Section 7.09. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Owners of the 2020 Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

Section 7.10. No Waiver of Default. No delay or omission of the Trustee or of any Owner of the 2020 Bonds to exercise any right or power arising upon the occurrence of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; provided, however, that every power and remedy given by this Indenture to the Trustee or to the Owners of the 2020 Bonds may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VIII

THE TRUSTEE

Section 8.01. Employment and Duties of the Trustee. The Issuer hereby appoints and employs the Trustee to receive, deposit and disburse the Revenues as provided herein, to prepare, authenticate, deliver, transfer, exchange and cancel the 2020 Bonds as provided herein, to pay the interest and principal and redemption premiums, if any, on the 2020 Bonds to the Owners thereof as provided herein, and to perform the other obligations contained herein; all in the manner provided herein and subject to the conditions and terms hereof. By executing and delivering the Indenture, the Trustee undertakes to perform such obligations (and only such obligations) as are specifically set forth herein, and no implied obligations shall be read herein against the Trustee.

Section 8.02. Removal and Resignation of the Trustee. The Issuer may at any time, as long as an Event of Default, or an event which with notice or passage of time or both would become an Event of Default, has not occurred and is continuing, and shall, after any breach by the Trustee hereunder, remove the Trustee initially a party hereto and any successor thereto by giving written notice of such removal to the Trustee, and by giving notice by mail in accordance with Section 11.06 of such removal to all Owners of 2020 Bonds, and the Trustee initially a party hereto and any successor thereto may at any time resign by giving written notice of such resignation to the Issuer and the Agency and by giving notice by mail in accordance with Section 11.06 of such resignation to all Owners of 2020 Bonds. Upon giving any such notice of removal or upon receiving any such notice of resignation, the Issuer shall promptly appoint a successor Trustee by an instrument in writing; provided that in the event that the Issuer and the Agency do not appoint a successor Trustee within sixty (60) days following the giving of any such notice of removal or the receipt of any such notice of resignation, the removed or resigning Trustee may petition any appropriate court having jurisdiction to appoint a successor Trustee. No removal, resignation or termination of the Trustee shall take effect until a successor trustee shall be appointed. Any successor Trustee shall be a bank with trust powers or trust company doing business and having a principal corporate trust office in the United States of America, having (or if such bank or trust company is a member of a bank holding company system, its bank holding company has) a combined capital, (exclusive of borrowed capital) and surplus of at least seventy-five million dollars (\$75,000,000), unless the Agency consents to a lesser amount therefor, and shall be subject to supervision or examination by state or national authorities. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this section the combined capital and surplus of such bank or trust company shall be

deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal or resignation of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of the appointment by the successor Trustee.

Section 8.03. Compensation and Indemnification of the Trustee. The Issuer shall from time to time, subject to any agreement then in effect with the Trustee, pay the Trustee reasonable compensation for its services and reimburse the Trustee for all its reasonable advances and expenditures hereunder, including, but not limited to, advances to and the reasonable fees and expenses of accountants, agents, appraisers, consultants, counsel or other experts employed by it in the observance and performance of its rights and obligations hereunder; provided, except as otherwise provided in Section 7.04 hereof, that the Trustee shall not have any lien for such compensation or reimbursement against any money held by it in any of the funds established hereunder, although the Trustee may take whatever legal actions are available to it directly against the Issuer to recover such compensation or reimbursement. To the extent permitted by law, the Issuer does hereby assume liability for, and agree to defend, indemnify, protect, save and keep harmless, the Trustee and its directors, officers and employees and its successors and assigns from and against any and all liabilities, obligations, losses, damages (including consequential damages incurred by others), taxes and impositions, penalties, fines, claims, actions, suits, costs and expenses and disbursements (including legal fees and expenses) of whatsoever kind and nature imposed in, asserted against or incurred or suffered by the Trustee or its directors, officers or employees or its successors and assigns in any way relating to or arising out of: (i) the condition, management, maintenance or use of or from any work done in connection with the Water System by the Agency including, the use, storage, preserve, disposal or release of any Hazardous Substances in or about the Water System; (ii) any act of negligence of the Agency or of any of its agents, contractors, directors, employees, invitees, licensees or officers in connection with the Water System; (iii) the authorization of the payment to any costs or expenses of the acquisition and construction of the Project; or (iv) the exercise of any rights or obligations of the Trustee hereunder; provided, that no indemnification will be made for willful misconduct or negligence hereunder by the Trustee.

The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and the final payment or defeasance of the 2020 Bonds.

Section 8.04. Protection of the Trustee. The Trustee shall be protected and indemnified as stated herein by the Issuer and shall incur no liability in acting or proceeding in good faith upon any affidavit, bond, certificate, consent, notice, request, requisition, resolution, statement, telegram, voucher, waiver or other paper or document which it shall in good faith believe to be genuine and to have been adopted, executed or delivered by the proper party or pursuant to any of the provisions hereof, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee may consult with counsel, who may be counsel to the Agency, before being required to take any action under this Indenture with regard to legal questions arising hereunder, and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith in accordance therewith.

The Trustee shall not be responsible for the sufficiency of the Installment Purchase Agreement or of the assignment made to it herein of all rights to receive the Revenues under the Installment Purchase Agreement, or of the title or value of the Project, and shall not be deemed to

have knowledge of any Event of Default unless and until it shall have actual knowledge thereof or have received written notice thereof at its Principal Corporate Trust Office. All recitals, warranties or representations contained therein are statements of the Agency, and the Trustee assumes no responsibility for their correctness, and the Trustee shall not be accountable for the use or application by the Agency, or any other party, of any funds which the Trustee properly releases to the Agency or which the Agency may otherwise receive from time to time. The Trustee makes no representation concerning, and has no responsibility for, the validity, genuineness, sufficiency, or performance by parties other than the Trustee of the Indenture, any 2020 Bond, or of any other paper or document, or for taking any action on them (except as specifically and expressly stated for the Trustee in the Indenture), or with respect to any obligation of the Issuer or the Agency hereunder or for the sufficiency of any insurance on the Water System.

Whenever in the observance or performance of its rights and obligations hereunder or under the 2020 Bonds, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, the Trustee may request a Certificate of the Agency and such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the Agency, and such Certificate of the Agency shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee may buy, sell, own, hold and deal in any of the 2020 Bonds and may join in any action which any Owner may be entitled to take with like effect as it were not a party hereto. The Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Issuer or the Agency, and may act as agent, depository or trustee for any committee or body of Owners or of owners of obligations of the Issuer or the Agency as freely as if it were not the Trustee hereunder. The Trustee shall not be answerable for the exercise of any of its rights hereunder or for the performance of any of its obligations hereunder or for anything whatsoever in connection with the funds established hereunder, except only for its own willful misconduct or negligence.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in the Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured or waived, exercise such of the rights and powers vested in it by the Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Trustee shall not be responsible for monitoring the compliance of the Agency and the Issuer with the covenants as set forth in Sections 5.03 and 6.02 hereof and Section 6.5 of the Installment Purchase Agreement and may conclusively rely on all written instructions and calculations of the Agency and the Issuer with respect thereto; provided, the Trustee shall promptly comply with all such written instructions as provided in Sections 5.03 and 6.02.

The Issuer shall not be deemed to be an agent of the Trustee and the Trustee shall not be liable for the acts or omissions of the Issuer in connection with the transactions contemplated hereby and by the Installment Purchase Agreement.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the 2020 Bonds.

ARTICLE IX

AMENDMENT OF OR SUPPLEMENT TO THE INDENTURE

Section 9.01. Amendment or Supplement by Consent of Owners.

(a) The Indenture and the rights and obligations of the Issuer, the Agency, Owners and the Trustee hereunder may be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding when the written consents of the Owners of a majority in aggregate principal amount of the 2020 Bonds then Outstanding, exclusive of 2020 Bonds disqualified as provided in Section 9.02, are filed with the Trustee. No such amendment or supplement shall: (i) reduce the rate of interest on any 2020 Bond or extend the time of payment thereof or reduce the amount of principal or redemption premium, if any, of any 2020 Bond or extend the maturity thereof or otherwise alter or impair the obligation of the Issuer to pay the interest and principal and redemption premium, if any, thereon at the time and place and at the rate and in the currency and from the funds provided therein without the prior written consent of the Owner of the 2020 Bond so affected; or (ii) modify any of the rights or obligations of the Trustee without its prior written consent thereto.

(b) The Indenture and the rights and obligations of the Issuer, the Agency, the Owners and the Trustee hereunder may also be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding upon execution without the written consents of any Owners, but only to the extent permitted by law:

(i) to add to the agreements, conditions, covenants and terms contained herein required to be observed or performed by the Issuer or the Agency other agreements, conditions, covenants and terms thereafter to be observed or performed by the Issuer or the Agency, or to surrender any right reserved herein to or conferred herein on the Issuer or the Agency, and which in either case shall not adversely affect the interests of the Owners;

(ii) to modify, amend or supplement this Indenture in such a manner as to preserve the exemption of the 2020 Bonds from the registration requirements of the Securities Act of 1933 or any similar federal statute hereafter in effect or to permit the qualification of this Indenture under the Trust Indenture Act of 1939 or any similar federal statute hereinafter in effect;

(iii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Issuer or the Agency may deem desirable or necessary, and which shall not adversely affect the interests of the Owners;

(iv) to the extent required to conform the procedures under this Indenture to the procedures of the Depository, as such procedures may be in effect from time to time; and

(v) to make any modifications or changes necessary or appropriate in the opinion of Special Counsel to preserve or protect the exclusion from gross income for federal income tax purposes of interest on the 2020A Bonds.

The Issuer shall give written notice of any amendment to the Indenture and the rights and obligations of the Issuer and the Agency and the Owners and the Trustee hereunder to Moody's, S&P and Fitch not less than fifteen (15) days prior to the execution thereof.

Section 9.02. Disqualified 2020 Bonds. 2020 Bonds known to the Trustee to be held for the account of the Issuer or the Agency (but excluding 2020 Bonds held in any pension or retirement fund of the Issuer or the Agency) shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding 2020 Bonds provided herein, and shall not be entitled to consent to or take any other action provided herein, and the Trustee may adopt appropriate regulations to require each Owner, before his or her consent provided for herein shall be deemed effective, to reveal if the 2020 Bonds as to which such consent is given are disqualified as provided in this section.

Section 9.03. Endorsement or Replacement of 2020 Bonds After Amendment or Supplement. After the effective date of any action taken as hereinabove provided, the Trustee may determine that the 2020 Bonds may bear a notation by endorsement in form approved by the Trustee as to such action, and in that case, upon demand of the Owner of any Outstanding 2020 Bond and presentation of the 2020 Bond for such purpose at the Principal Corporate Trust Office of the Trustee, a suitable notation as to such action shall be made on such 2020 Bond. If the Trustee shall so determine, new 2020 Bonds so modified as in the opinion of the Trustee shall be necessary to conform to such action shall be prepared, and in that case upon demand of the Owner of any Outstanding 2020 Bonds such new 2020 Bonds shall be exchanged without cost to each Owner for 2020 Bonds then Outstanding at the Principal Corporate Trust Office of the Trustee, upon surrender of such Outstanding 2020 Bonds. All 2020 Bonds surrendered to the Trustee pursuant to the provisions of this section shall be canceled by the Trustee and shall not be redelivered.

Section 9.04. Amendment or Supplement by Mutual Consent. The provisions of this article shall not prevent any Owner from accepting any amendment or supplement as to the particular 2020 Bonds owned by him or her; provided, that due notation thereof is made on such 2020 Bonds.

ARTICLE X

DEFEASANCE

Section 10.01. Discharge of 2020 Bonds and Indenture.

(a) If the Trustee shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Outstanding 2020 Bonds the interest and principal and redemption premiums, if any, evidenced and represented thereby at the times and in the manner provided herein and therein, then all agreements and covenants of the Issuer and the Agency to such Owners hereunder shall thereupon cease, terminate and become void and shall be completely discharged and satisfied.

(b) Any Outstanding 2020 Bonds shall on their maturities or their mandatory redemption dates prior thereto be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if there shall be on deposit with the Trustee money held in trust for the benefit of the Owners of such 2020 Bonds which is sufficient to pay the interest and principal and redemption premiums, if any, on such 2020 Bonds payable on and prior to their maturities or their mandatory redemption dates thereto.

(c) Any Outstanding 2020 Bonds shall prior to their maturities or their mandatory redemption dates prior thereto be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if: (i) in case any of such 2020 Bonds are to be redeemed on any date prior to their maturities, the Issuer shall have given to the Trustee in form satisfactory to it irrevocable instructions to give notice by mail in accordance with Section 11.06 to the Owners of such 2020 Bonds of the redemption of such 2020 Bonds on such mandatory redemption dates; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Permitted Investments defined in clauses (a) or (b) of the definition thereof, the interest on and principal of which when paid will provide money which, together with money, if any, deposited with the Trustee at the same time, shall be sufficient (as evidenced by a report of an Independent Certified Public Accountant regarding such sufficiency) to pay when due the interest on such 2020 Bonds on and prior to the earlier of their maturities or their mandatory redemption dates, as the case may be, and the principal and redemption premiums, if any, on such 2020 Bonds; and (iii) in the event such 2020 Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall have given the Trustee in form satisfactory to it irrevocable instructions to give notice by mail in accordance with Section 11.06 to the Owners of such 2020 Bonds that the deposit required by clause (ii) above has been made with the Trustee and that such 2020 Bonds are deemed to have been paid in accordance with this section and stating their maturities or their mandatory redemption dates prior thereto upon which money is to be available for the payment of the interest and principal and redemption premiums, if any, on such 2020 Bonds.

(d) The Trustee shall, if so directed by the Issuer pursuant to a Request of the Issuer: (i) prior to the Maturity Date of 2020 Bonds deemed to have been paid in accordance with this Section 10.01 which are not to be redeemed prior to their Maturity Date; or (ii) prior to the mailing of the notice of redemption referred to in clause (c) above with respect to any 2020 Bonds deemed to have been paid in accordance with this Section 10.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee with respect to such 2020 Bonds and redeem or sell Permitted Investments so deposited with the Trustee and apply the proceeds thereof to the purchase of such 2020 Bonds and the Trustee shall immediately thereafter cancel all such 2020 Bonds so purchased; provided, however, that the moneys and Permitted Investments remaining on deposit with the Trustee after the purchase and cancellation of such 2020 Bonds shall be sufficient to pay when due the interest on those 2020 Bonds on and prior to their maturities or their mandatory redemption dates prior thereto, as the case may be, and the principal and redemption premiums, if any, on such 2020 Bonds, with respect to which such moneys and Permitted Investments are being held by the Trustee on or prior to the Redemption Date or Maturity Date thereof; as the case may be. If, at any time: (I) prior to the Maturity Date of 2020 Bonds deemed to have been paid in accordance with this Section 10.01 which are not to be redeemed prior to their Maturity Date; or (II) prior to the mailing of the notice of redemption referred to in clause (c) with respect to any 2020 Bonds deemed to have been paid in accordance with this Section 10.01 which are to be redeemed on any date prior to their maturity, the Issuer shall purchase or otherwise acquire any such 2020 Bonds and deliver such 2020 Bonds to the Trustee prior to their Maturity Date or Redemption Date, as the case may be, the Trustee shall immediately cancel all such 2020 Bonds

so delivered; such delivery of 2020 Bonds to the Trustee shall be accompanied by directions from the Issuer to the Trustee in the form of a Request of the Issuer as to the manner in which such 2020 Bonds are to be applied against the obligation of the Trustee to pay or redeem 2020 Bonds deemed paid in accordance with this Section 10.01. The directions given by the Issuer to the Trustee referred to in the preceding sentences shall also specify the portion, if any, of such 2020 Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay 2020 Bonds deemed paid in accordance with this Section 10.01 upon their Maturity Date or dates and the portion, if any, of such 2020 Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem 2020 Bonds deemed paid in accordance with this Section 10.01 on any date or dates prior to their maturity.

In the event that on any date as a result of any purchases, acquisitions and cancellations of 2020 Bonds as provided in this Section 10.01 the total amount of moneys and Permitted Investments remaining on deposit with the Trustee under this Section 10.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date with respect to the remaining 2020 Bonds in order to satisfy subclause (ii) of subsection (c) of this Section 10.01, the Trustee shall, if requested by the Agency pursuant to a request of the Agency, pay the amount of such excess to the Agency free and clear of any trust, lien, pledge or assignment securing said 2020 Bonds or otherwise existing under this Indenture; provided, however, that before any such excess is transferred to the Agency, the Agency and the Trustee shall have received a report of an Independent Certified Public Accountant to the effect that the amount of moneys and the principal of and interest when due on the Permitted Investments remaining on deposit with the Trustee after such amount is transferred to the Agency shall be sufficient to pay when due the interest on such 2020 Bonds on and prior to their maturities or their mandatory redemption dates prior thereto, as the case may be, and the principal and redemption premiums, if any, of such 2020 Bonds.

Except as otherwise provided in this subsection (d) of this Section 10.01, neither Permitted Investments nor moneys deposited with the Trustee pursuant to this section nor principal or interest payments on any such Permitted Investments shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest on said 2020 Bonds; provided that any cash received from such principal or interest payments on such Permitted Investments deposited with the Trustee: (A) to the extent that such cash will not be required at any time for such purpose, shall be paid over to the Agency as received by the Trustee, free and clear of any trust, lien or pledge securing said 2020 Bonds or otherwise existing under the Indenture; and (B) to the extent that such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Permitted Investments maturing at times and in amounts sufficient to pay when due the interest on the 2020 Bonds on and prior to their maturities or their mandatory redemption dates prior thereto, as the case may be, and the principal and redemption premiums, if any, on the 2020 Bonds and interest earned from such reinvestment shall be paid over to the Agency, as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing said 2020 Bonds or otherwise existing under the Indenture.

(e) After the payment of all interest and principal and redemption premiums, if any, of all Outstanding 2020 Bonds as provided in subsections (a) or (b) of this section, and the payment of all fees and expenses of the Trustee, upon receipt of a Request of the Agency, the Trustee shall cause an accounting for such period or periods as may be requested by the Agency to be prepared and filed with the Issuer and the Agency and shall authenticate and deliver to the Issuer and the Agency all such instruments as may be necessary or desirable to evidence such total discharge and satisfaction of the Indenture, and the Trustee shall pay over or deliver to the Agency all money or

investments held by it pursuant hereto which are not required for the payment of the interest and principal and redemption premiums, if any, evidenced and represented by such 2020 Bonds, which money and investments shall be used by the Agency for any lawful purpose.

Section 10.02. Unclaimed Money. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of the interest or principal or redemption premium, if any, on any 2020 Bonds which remains unclaimed for two (2) years after the date when the payments on such 2020 Bonds have become payable, if such money was held by the Trustee on such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date when the interest and principal and redemption premiums, if any, on such 2020 Bonds have become payable, shall be repaid by the Trustee to the Issuer as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the Issuer for the payment of the interest and principal and redemption premiums, if any, on such 2020 Bonds; provided, that before being required to make any such payment to the Issuer, the Trustee shall, at the expense of the Issuer, give notice by mail in accordance with Section 11.06 to Owners of 2020 Bonds with respect to which moneys remain unclaimed that such money remains unclaimed and that after a date named in such notice, which date shall not be less than sixty (60) days after the date of giving such notice, the balance of such money then unclaimed will be returned to the Issuer.

Any declaration, acceptance, request or other instrument in writing of the Owner of any 2020 Bond shall bind all future Owners of such 2020 Bond with respect to anything done or suffered to be done by the Issuer or the Agency or the Trustee in good faith and in accordance therewith.

Section 11.07. Funds. Any fund required to be established and maintained herein by the Trustee may be established and maintained in the accounting records of the Trustee either as an account or a fund, and may, for the purpose of such accounting records, any audits thereof and any

reports or statements with respect thereto, be treated either as an account or a fund; but all such records with respect to all such funds shall at all times be maintained in accordance with sound accounting practice and with due regard for the protection of the security of the 2020 Bonds and the rights of the Owners. In addition to the funds and accounts required to be established hereunder, the Trustee may establish such other funds and accounts as it deems necessary or appropriate to perform its obligations.

(a) Any money held by the Trustee in any of the funds provided herein shall be deposited pursuant to clause (g) of the definition of Permitted Investments; provided, that any such money shall be invested by the Trustee as directed by the Issuer pursuant to a Request of the Issuer in Permitted Investments which will, as nearly as practicable, mature on or before the dates on which such money is anticipated to be needed for disbursement hereunder.

The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer the right to receive brokerage confirmations of security transactions as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish periodic cash transaction statements to the Issuer which shall include detail for all investment transactions made by the Trustee hereunder.

(c) Subject to Section 5.03 and subsection (d) of this section, any interest or profits on such deposits and investments received by the Trustee shall be retained in the fund or account to which they relate and on or before February 1 and August 1 of each year shall be transferred first, if the Issuer so directs, to the Rebate Fund, and second, to the Interest Account of the Bond Payment Fund.

(d) Trustee shall deposit earnings on investments in the Bond Payment Fund to the Interest Account, Principal Account or Redemption Account of the Bond Payment Fund, to the extent that money is needed therein to make the interest or principal payment or redemption premiums, if any, as the case may be, on such Interest Payment Date, Maturity Date, or Redemption Date.

The Trustee and the Issuer hereby declare that they would have executed and entered into the Indenture and each and every other article, section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the execution and delivery of the 2020 Bonds pursuant hereto irrespective of the fact that any one or more of the articles, sections, paragraphs, subdivisions, sentences, clauses or phrases hereof or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

No such amendment or supplement shall: (1) reduce the rate of interest on any 2020 Bond or extend the time of payment

thereof or reduce the amount of principal or redemption premium, if any, of any 2020 Bond or extend the maturity thereof or otherwise alter or impair the obligation of the Issuer to pay the interest and principal and redemption premium, if any, thereon at the time and place and at the rate and in the currency and from the funds provided therein without the prior written consent of the Owner of the 2020 Bond so affected; or (2) modify any of the rights or obligations of the Trustee without its prior written consent thereto.

The Indenture and the rights and obligations of the Issuer and the Agency and the Owners and the Trustee thereunder may also be amended or supplemented at any time by an amendment or supplement which shall become binding upon execution without the written consents of any Owners, but only to the extent permitted by law:

(a) to add to the agreements, conditions, covenants and terms contained therein required to be observed or performed by the Issuer or the Agency other agreements, conditions, covenants and terms thereafter to be observed or performed by the Issuer or the Agency, or to surrender any right reserved therein to or conferred therein on the Issuer or the Agency, and which in either case shall not adversely affect the interests of the Owners;

(c) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained therein or in regard to questions arising thereunder which the Issuer or the Agency may deem desirable or necessary, and which shall not adversely affect the interests of the Owners;

(d) to the extent required to conform the procedures under the Indenture to the procedures of the Depository, as such procedures may be in effect from time to time; and

(e) to make any modifications or changes necessary or appropriate in the opinion of Special Counsel to preserve or protect the exclusion from gross income for federal income tax purposes of interest on the 2020A Bonds.

The Trustee has no obligation or liability to the registered owners of the 2020 Bonds for the payment of interest, principal or redemption premium, if any, with respect to the 2020 Bonds out of the Trustee's own funds; the Trustee's sole obligations are those described in the Indenture.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all 2020 Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.
