

BJ ATKINS - AB 1234 REPORTS

November 13, through December 14, 2020

Meeting Attended:	Attended VIA BASH
Dates of Meeting:	November 14, 2020
Board Mtg. Presented:	December 15, 2020
# Attendees & Location:	Reported to be up to 50 Couples or individuals participating via remote teleconference
Points of Interest:	Very effective and brief (~45 minutes) awards ceremony, celebrating the accomplishments of many local firms. Very nice celebratory package picked up in a contactless fashion at the VIA offices earlier in the day. Efficient and very enjoyable experience. I told Kathy Norris the same.

Meeting Attended:	Attended the UWMP Virtual Workshop
Date of Meeting:	November 18, 2020
Board Mtg. Presented:	December 15, 2020
# Attendees & Location:	Estimated virtual attendance approaching 60 individuals
Points of Interest:	An overview of the status of the UWMP was provided by staff and a cadre of consultants. Expected timing of milestones was discussed. Progress has been substantial, and the UWMP as always is a key element in water resources planning.

Meeting Attended:	Attend ACWA Virtual Fall Conference
Date of Meeting:	December 2, 2020
Board Mtg. Presented:	December 15, 2020
# Attendees & Location:	Several hundred attendees from across the state and nation connected virtually
Points of Interest:	ACWA staff introduced the conference, which was keynoted by notable individuals in the water industry. There were a LARGE selection of technical sessions, many of which were of keen interest (i.e. PFAS and PFOA), along with a virtual exhibit hall PLUS an opportunity to connect one-on-one with other ACWA members at a virtual networking session. This afforded not only the ability to catch up with business acquaintances but learn what is new and exciting in other parts of the state within the water industry.

Meeting Attended:	Attend ACWA Water Quality Committee via Zoom
Date of Meeting:	December 14, 2020
Board Meeting Presented:	December 15, 2020
# Attendees & Location:	More than 70 attendees at maximum
Points of Interest:	See agenda below. The Safe Drinking Water and Clean Water (Act) Subcommittees both gave important reports. Long (2 Hr., 45 min.) but effective meeting.

BJ ATKINS - AB 1234 REPORTS

November 13, through December 14, 2020

ACWA Water Quality Committee Meeting	
December 14, 2020 • 2:00 PM – 4:00 PM	Video Conference: https://acwa.zoom.us/j/96806839647?pwd=L0lWSklWbXRXRlRlRHTXdYa1dldlVrZz09
