Robert DiPrimio

Jeff Ford Gary Martin Lynne Plambeck

From: Courtney Mael, Chief Engineer

Keith Abercrombie, Chief Operating Officer

The **Engineering and Operations Committee** is scheduled to meet via teleconference on **Thursday, October 1, 2020** at **5:30 PM**, dial in information is listed below.

TELECONFERENCE ONLY NO PHYSICAL LOCATION FOR MEETING

TELECONFERENCING NOTICE

Pursuant to the provisions of Executive Order N-29-20 issued by Governor Gavin Newsom on March 17, 2020, any Director may call into an Agency Committee meeting using the Agency's Call-In Number 1-877-309-2073, Access Code 605-121-869,

or GoToMeeting by clicking on the link https://global.gotomeeting.com/join/605121869

without otherwise complying with the Brown Act's teleconferencing requirements.

Pursuant to the above Executive Order, the public may not attend the meeting in person. Any member of the public may listen to the meeting or make comments to the Committee using the call-in number or GoToMeeting link above. Please see the notice below if you have a disability and require an accommodation in order to participate in the meeting.

We request that the public submit any comments in writing if practicable, which can be sent to **egallo@scvwa.org** or mailed to **Elizabeth Gallo**, **Administrative Analyst**, Santa Clarita Valley Water Agency, 26521 Summit Circle, Santa Clarita, CA 91350. All written comments received before 4:00 PM the day of the meeting will be distributed to the Committee members and posted on the Santa Clarita Valley Water Agency website prior to the meeting. Anything received after 4:00 PM the day of the meeting will be posted on the SCV Water website the following day.

MEETING AGENDA

<u>TEM</u>		<u>PAGE</u>
1.	Public Comments – Members of the public may comment as to items not on the Agenda at this time. Members of the public wishing to comment on items covered in this Agenda may do so now or at the time each item is considered. (Comments may, at the discretion of the Committee Chair, be limited to three minutes for each speaker.)	
2. *	Recommend Approval of a Resolution Awarding a Material Purchase Contract for the Valley Center Well PFAS Groundwater Treatment Project with Evoqua Water Technologies	1
3. *	Monthly Operations and Production Report	13
4. *	Capital Improvement Projects Construction Status Report	71
5. *	Committee Planning Calendar	73
6.	General Report on Treatment, Distribution, Operations and Maintenance Services Section Activities	
7.	General Report on Engineering Services Section Activities	
8.	Adjournment	
*	Indicates attachments To be distributed	

NOTICES:

Any person may make a request for a disability-related modification or accommodation needed for that person to be able to participate in the public meeting by telephoning Elizabeth Gallo, Administrative Analyst, at (661) 259-2737, or in writing to Santa Clarita Valley Water Agency at 27234 Bouquet Canyon Road, Santa Clarita, CA 91350. Requests must specify the nature of the disability and the type of accommodation requested. A telephone number or other contact information should be included so that Agency staff may discuss appropriate arrangements. Persons requesting a disability-related accommodation should make the request with adequate time before the meeting for the Agency to provide the requested accommodation.

Pursuant to Government Code Section 54957.5, non-exempt public records that relate to open session agenda items and are distributed to a majority of the Board less than seventy-two (72) hours prior to the meeting will be available for public inspection at the Santa Clarita Valley Water Agency, located at 27234 Bouquet Canyon Road, Santa Clarita, CA 91350, during regular business hours. When practical, these public records will also be made available on the Agency's Internet Website, accessible at http://www.yourscvwater.com.

COMMITTEE MEMORANDUM

DATE: September 21, 2020

TO: Engineering and Operations Committee

FROM: Courtney Mael, P.E. CM

Chief Engineer

SUBJECT: Recommend Approval of a Resolution Awarding a Material Purchase

Contract for the Valley Center Well PFAS Groundwater Treatment Project

with Evoqua Water Technologies

SUMMARY

SCV Water (Agency) is planning to construct treatment improvements to treat per- and polyfluoroalkyl substances (PFAS) at its Valley Center Well. The Board of Directors authorized final design services at the August 4, 2020 Board meeting and design is in-progress. The next step is to acquire long lead material items. It is anticipated that some of the treatment equipment including the treatment vessels may take up to approximately 8 months for fabrication and delivery. As a result, staff is recommending the purchase of these long lead materials prior to construction to return the Valley Center Well to service as soon as possible. Staff is recommending approval of a material purchase contract to Evoqua Water Technologies.

DISCUSSION

Valley Center Well is located at 26715 Valley Center Drive west of Golden Valley Road and borders the Santa Clara River. The well was constructed between 2009 and 2010 and produces 1,200 gallons per minute (gpm) of potable water.

The proposed PFAS treatment uses Ion Exchange technology which includes cartridge prefilters and treatment vessels that will capture and remove PFAS to non-detect limits before entering the distribution system. The treatment vessels are anticipated to potentially take up to approximately 8 months for fabrication and delivery.

The material bid solicitation was advertised in accordance with the Agency's Purchasing Policy, with notices in *The Signal* on three different dates and on the Agency's website. On September 2, 2020 two bids were received and a summary of the bids is presented below:

Bidder	Bidder Office Location	Total Bid Price
Evoqua Water Technologies	La Mirada, CA	\$ 512,802
Calgon Carbon Corporation	Moon Township, PA	\$ 564,610

The apparent lowest responsive bid is from Evoqua Water Technologies for a total of \$512,802. The engineer's estimate for the project is \$500,000. Evoqua Water Technologies is registered with the Department of Industrial Relations and has supplied vessels to the Agency in the past.

CEQA DETERMINATION

The proposed action today is authorizing the purchasing of treatment vessels for PFAS treatment at the Valley Center Well project. The whole of the action also includes construction and operation of the project. The term "project" in CEQA refers to the whole of an action and to the underlying activity being approved, not to each governmental approval. (CEQA Guideline §15378(a), (c)–(d).) This definition ensures that the action reviewed under CEQA is not the approval itself but the development or other activities that will result from the approval.

Based on 90% final design, the project construction is a minor alteration limited to construction within the Agency's existing facility property, construction and operation of this project is found to be categorically exempt under the provisions of CEQA and the State CEQA Guidelines as described below:

- The project, aka the whole of the action, qualifies for an exemption under CEQA guidelines section 15301 Class 1 Minor Alterations to Existing Facilities because it is a minor alteration of an existing public facility and it concerns proposed new mechanical equipment involving negligible or no expansion of use, i.e. no additional extraction of water, beyond that existing at the time of the lead agency's determination.
- The project, aka the whole of the action, also qualifies for an exemption under CEQA guidelines section 15303 Class 3 New Construction or Conversion of Small Structures because the project construction is limited to construction within SCV Water's existing facility property.
- None of the exceptions listed in Section 15300.2 of the CEQA Guidelines would apply to the action. In particular, a biological resources survey was conducted, and no special status species were observed. Based on discharge rate and duration, the well discharge will not create flowing water in the river sufficient to reach the closest unarmored three spine stickleback occupied habitat downstream. This finding is supported by the biological resources assessment prepared for the project.

FINANCIAL CONSIDERATIONS

The Project is included in the Agency's FY 2020/21 Capital Improvement Budget for the Valley Center Well PFAS Groundwater Treatment Improvements Project. The Project's total estimated cost, including planning, design, construction management, construction, inspection and miscellaneous costs, is \$4,900,000. Evoqua Water Technologies bid is \$512,802.

As previously approved by the Board of Directors, the first ten million for all of SCV Water's PFAS Capital Projects will be paid from 2020A bond funds and after ten million is expended then the PFAS Projects will be paid on a pay-go-basis. Currently, \$6,123,000 has been expended from the ten million for all the PFAS Projects. In addition, the Agency is actively seeking grant funding to offset project costs.

RECOMMENDATION

That the Engineering and Operations Committee recommends that the Board of Directors approve the attached resolution for a materials contract with Evoqua Water Technologies in an amount of \$512,802 for the Valley Center Well PFAS Groundwater Treatment Improvements Project and file a Notice of Exemption for the proposed action.

RESOL	UTION.	NO.	

RESOLUTION OF THE BOARD OF DIRECTORS OF THE SANTA CLARITA VALLEY WATER AGENCY AWARDING A CONTRACT TO EVOQUA WATER TECHNOLOGIES FOR THE VALLEY CENTER WELL PFAS GROUNDWATER TREATMENT MATERIALS PURCHASE PROJECT

WHEREAS, Santa Clarita Valley Water Agency (Agency) determined that Per- and polyfluoroalkyl substances (PFAS) are a threat to the Agency's groundwater resources; and

WHEREAS, the Valley Center Well Groundwater Treatment Project is an important component to treat PFAS; and

WHEREAS, SCV Water, as a CEQA Responsible Agency, filed a Notice of Exemption with the Los Angeles County Clerk's Office and the State Clearinghouse on August 10, 2020 and there are no substantial changes to the project, and

WHEREAS, the project, aka the whole of the action, qualifies for an exemption under CEQA guidelines section 15301 Class 1 Minor Alterations to Existing Facilities because it is a minor alteration of an existing public facility and it concerns proposed new mechanical equipment involving negligible or no expansion of use, i.e. no additional extraction of water, beyond that existing at the time of the lead agency's determination; and

WHEREAS, the project, aka the whole of the action, also qualifies for an exemption under CEQA guidelines section 15303 Class 3 New Construction or Conversion of Small Structures because the project construction is limited to construction within SCV Water's existing facility property; and

WHEREAS, none of the exceptions listed in Section 15300.2 of the CEQA Guidelines would apply to the action. In particular, a biological resources survey was conducted, and no special status species were observed. Based on discharge rate and duration, the well discharge will not create flowing water in the river sufficient to reach the closest unarmored three spine stickleback occupied habitat downstream. This finding is supported by the biological resources assessment prepared for the project: and

WHEREAS, no further CEQA documentation is necessary for the Board to act with regards to the proposed actions; and

WHEREAS, all bid proposals submitted to the Agency pursuant to the Agency's specifications (Project No. 200602F) for procurement of the Valley Center Well PFAS Groundwater Treatment Materials Purchase Project, as amended by Addenda, were publicly opened electronically on the Agency's bid website page on PlanetBids on Wednesday, September 2, 2020 at 2:00 p.m., in full accordance with the law and the Agency's customary procedures; and

WHEREAS, the Board of Directors finds, after considering the opinion of staff, that the total bid of Evoqua Water Technologies in the amount of \$512,802 is the lowest

responsible bid of two bids submitted, and that said bid substantially meets the requirements of said construction contract documents as amended by Addenda; and

WHEREAS, it is in the Agency's best interest that the Board of Directors, on behalf of the Agency, authorize its General Manager to accept the \$512,802 bid.

NOW, THEREFORE, BE IT RESOLVED that the Agency's Board of Directors does authorize its General Manager to accept said low bid and does therefore authorize the Agency's General Manager or its Chief Engineer to issue a Notice of Award to Evoqua Water Technologies, hereby found to be the "lowest responsible bidder" for the Valley Center Well PFAS Groundwater Treatment Materials Purchase Project for the total sum of \$512,802.

RESOLVED FURTHER that the Agency's General Manager or its President and Secretary are thereupon authorized, upon receipt of appropriate payment and performance bonds, appropriate certificates of insurance and an executed Contract Agreement from Evoqua Water Technologies, all of which must be approved by General Counsel, to execute the said Contract Agreement on behalf of the Agency.

RESOLVED FURTHER that the Agency's General Manager or Chief Engineer are thereafter authorized to execute and forward to Evoqua Water Technologies an appropriate Notice to Proceed.

appropriate Notice to Proceed.	qua vvator roomiologios un
	President
I, the undersigned, hereby certify: That I am the dul the Santa Clarita Valley Water Agency, and that at a Directors of said Agency held on October 20, 2020, XXX was duly and regularly adopted by said Board, been rescinded or amended since the date of its ada and effect.	a regular meeting of the Board of the foregoing Resolution No. SCV- and that said resolution has not

Santa Clarita Valley Water Agency Capital Improvement Projects (CIP) Construction Status Report As of September 15, 2020

Project	Contractor	Original Contract Amount	Change Orders to Date	% Change Orders	Current Contract Amount	Scheduled Completion	Estimated % of Work Completed	Status
PFAS Groundwater Treatment Project and Well Q2 Perchlorate Removal Facility - Vessels Purchase	Evoqua Water Technologies, LLC.	\$1,727,960	\$3,074	0.2%	\$1,731,934	October 1, 2020	95%	Vessels for the N- Wells have been delivered. The Well Q-2 vessels are set for September 2020 delivery.
PFAS Groundwater Treatment Project and Well Q2 Perchlorate Removal Facility - Site Construction	Pacific Hydrotech Corporation	\$4,515,000	\$32,818.63	0.7%	\$4,547,818.63	October 17, 2020	60%	Resin has been installed at the N-Wells and site construction is in progress. Well Q2 concrete pad has been constructed.
West Ranch Recycled Water Main Extension (Phase 2D)	Cedro Construction Inc.	\$3,112,332	\$0	\$0	\$3,112,332	September 26, 2020	50%	Pipeline construction is in progress. Pipe installation is 95% complete. Work around the pump station continues.
Magic Mountain Pipeline Phase 4	FivePoint / Toro Enterprises	\$3,084,725	\$294,130.72	9.5%	\$3,378,855.72	December 31, 2020	90%	Construction activities are on hold.
Magic Mountain Pipeline Phase 5	FivePoint / Toro Enterprises	\$3,269,978.85	\$0	0%	\$3,269,978.85	December 31, 2020	90%	Construction activities are on hold.
Magic Mountain Pipeline Phase 6A	FivePoint / Toro Enterprises	\$7,168,844.85	\$0	0%	\$7,168,844.85	April 1, 2021	16%	Construction activities are on hold.
Magic Mountain Pipeline Phase 6B	FivePoint / Leatherwood Construction	\$4,568,687.07	\$0	0%	\$4,568,687.07	June 30, 2021	0%	FivePoint is preparing the construction contract documents with Leatherwood Construction.

Project	Contractor	Original Contract Amount	Change Orders to Date	% Change Orders	Current Contract Amount	Scheduled Completion	Estimated % of Work Completed	Status
Vista Canyon Recycled Water Main Extension (Phase 2B)	Ferreira Construction Co.,Inc.	\$2,752,982	\$21,971	0.8%	\$2,774,953	January 5, 2021	40%	3,500 feet of pipeline has been installed.
Replacement (Saugus 3 & 4) Wells	Best Drilling & Pump, Inc.	\$5,615,052	\$0	0%	\$5,615,052	To be determined	0%	Notice of Award has been issued.
Westridge Recycled Tank Upgrades Potable Make-up Above Ground Piping	W.A. Rasic Construction Company, Inc.	\$475,810	\$0	0%	\$475,8810	To be determined	0%	Notice of Award has been issued.
