FOR IMMEDIATE RELEASE

**Join SCV Water for its Annual Open House
Saturday, May 4 at 9:00 AM at Central Park**

New This Year – Water Talks!

Come Get Your Questions Answered by Board Members and Staff Experts

SCV Water will host its annual Open House event on Saturday, May 4 from 9:00 a.m. to 2:00 p.m. in celebration of California's Water Awareness month. This free event is for all SCV residents and provides information on water-saving tools and practices, as well as interactive activities for the kids. The event will be held in Central Park and at the SCV Water conservation garden and patio located above the park.

A new addition to the program this year is "Water Talks!" Come hear from SCV Water Board members and staff experts to find out how we insure we have enough clean water for the future, and get your questions answered.

Vendors will showcase products and services focused on water efficiency, landscape ideas and services, and environmental sustainability. Special programs will include Placerita Canyon Nature Center's Ranger Frank and his Wild Friends, and "Waterology" - a children's water conservation show.

Don't forget to join the L.A. County Public Works Department at its Smart Gardening Workshop that will teach you how to compost. The class is from 9:30 a.m. to 11:30 a.m. and takes place in the middle of our conservation garden.

Listen to music from a local DJ on our patio, while enjoying free popcorn, frozen lemonade and face painting. While enjoying the beautiful view from our conservation garden, stop and get a free caricature drawing too! A free trolley will run between the park and the garden throughout the event.

Central Park is located at: 27150 Bouquet Canyon Road, Santa Clarita. For a complete schedule of events, look for the "In the Spotlight" section at yourSCVWater.com.

###

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to approximately 72,000 business and residential customers. It was formed on January 1, 2018 when local water suppliers combined into one integrated, regional water provider. More information can be found at www.YourSCVwater.com
