FOR IMMEDIATE RELEASE

“Water Matters” Webinar to Explore Water Quality in the Santa Clarita Valley Set for July 24

Discover the 2024 Consumer Confidence Report and Hear from a Water Quality Expert

Are you interested in learning more about the quality of water in the Santa Clarita Valley? Don't miss your opportunity to engage with an SCV Water expert and dive deeper into a crucial topic during the upcoming “Water Matters” webinar: Exploring the 2024 Consumer Confidence Report and Addressing Water Quality in the SCV.

This free webinar will be held via Zoom and attendees will have the chance to learn more about the 2024 Consumer Confidence Report and how SCV Water samples and tests local water supplies thousands of times per year. Participants will learn more about how the Agency monitors water quality, including the ongoing issue of per- and polyfluoroalkyl substances (PFAS), and discuss both common water quality concerns and possible solutions. Details on “Water Matters” can be found below:

- **Topic:** Exploring the 2024 Consumer Confidence Report and Addressing Water Quality in the SCV
- **Date:** Wednesday, July 24, 2024
- **Time:** 6 – 7 p.m.
- **Registration:** www.yourSCVwater.com/water-matters

To learn more about this event and others in the “Water Matters” series, and to view past webinars, please visit SCV Water online at www.yourSCVwater.com/water-matters.

###

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to approximately 75,000 business and residential customers. It was formed on January 1, 2018, when local water suppliers combined into one integrated, regional water provider. More information can be found at www.yourSCVwater.com.
